

## Peaceable Kingdom Feline Adoption Application

In order to be considered as a guardian, you must:

\*Be 18 years of age.

\*Have a valid photo I.D. showing your current address.

\*Have verifiable consent from your Landlord/Homeowner.

\*Understand that Peaceable Kingdom has the right to verify all information on this application including a home visit, reference and vet check.

Although Peaceable Kingdom eagerly seeks placement of its animals, experience has shown that some situations are not consistent with the welfare of the animal. Unsatisfactory placement can result in an unpleasant experience for your family and can traumatize the pet. We reserve the right to refuse any placement we consider unsatisfactory. This is not a reflection on you personally, but simply that a particular pet may not do well in your situation. We feel our experience in this area must be our guide to a successful adoption.

Animals rescued by Peaceable Kingdom come from a variety of situations. Upon arrival, all cats are given preliminary medical care and health checks. All cats are monitored while at the clinic or in foster care but there is always a chance that the cat is harboring an illness without showing any symptoms. Are you prepared to be fully responsible for immediate medical care for this animal if illness should occur?  Yes  No

Yearly vet exams are integral to the health of any pet. Spaying/neutering and vaccinations are required by state law. Annual vet visits for an altered adult cat can cost anywhere between \$50-100. Kittens can cost double this amount due to initial monthly vaccinations and wormings. Food, litter, and other supplies can cost \$100-200 for each pet each year. Do you have the financial resources to properly care for this animal?  Yes  No

The average cat has a life expectancy of 12-20 years. Are you prepared to care for this cat for its entire life?  Yes  No
